9th Annual Run For Your Life Event

The ninth annual "Run For Your Life" fundraising event was held on August 27, 2015 at Des Moines Water Works Park. More than 150 participants completed the 10K/5K run/walk and the 2-mile walk. Medals were awarded to the top 3 finishers in each age/gender group with participation medals to all youth 14& under completing the event. T-shirts were provided to pre-registered participants and the volunteers.

Highlights: 1) The six "teams" with 43 team members; 2) The Carlisle High School Cheer Squad to cheer all participants to the finish line; 3) AED Access For All hands-only CPR demonstration; 4) medals to donors contributing at least \$100 to this fundraising event, and 4) Dr. Steve Bailin presented the medals.

Each year funds raised from this event are allocated to purchase Automatic External Defibrillators (AEDs). The AEDs are then placed in Iowa businesses and organizations with an established need. This year funds raised are designated to place five AEDs in Iowa communities.

The Iowa Heart Foundation thanks those who registered for the event and the many volunteers who committed their time to making this event a success.
